

Picchiotti 60'

Wild Ride hails from the historic Picchiotti shipyard originally founded in 1600 in Limite sull'Arno, Italy. In addition to building commercial and military vessels, Picchiotti gained a growing reputation as a luxury yacht builder, and helped to pioneer the concept of the recreational motor boat series. Over the centuries, luxury yacht builder Picchiotti moved its shipyard and also expanded to other locations. Superyacht builder Perini Navi Group acquired luxury yacht builder Picchiotti in the early 1990s.
