

## Beneteau First 27 SE

The First 27 is a powerful, towable sports fun cruiser racer packed with potential.

Designed by renowned naval architect Sam Manuard and featuring a hard chine as far as the stem, vertical sides, a good beam on the waterline and twin rudders, she has all the makings of a robust competitive boat. The cockpit is spacious and comfortable and has two-foot chocks over the full length. With a manually operated hydraulic jack to lift the keel, she is very easy to tow.

The Beneteau First 27 SE brings high-tech performance from the cutting edge of offshore mini racing into the recreational sailors' hands. She delivers the sort of extraordinary sailing performance previ...
