

Lomac Turismo 7.0

Lomac has redefined their entire RIB Touring range, starting from the 7.0 metre best-seller, utilising their years of expertise and investments in research, development and design, as seen across all their offerings including their top of the line Gran turismo and Adrenalina range.

Unimaginable performance for a seven-meter RIB - stability, seaworthiness, comfort and safety - and a new design that looks ahead of its time and maximises the space on board.

The first stock vessel is on the way to Australia and is available from July 2023, loaded with a great inventory.
