

Silent Yachts Silent 60

SILENT-YACHTS was founded on the dream of making luxury yachting work truly hand in hand with nature by minimising the impact on the marine environment while still providing utmost levels of comfort without compromises.

Silent cruising in absolute luxury and modern style. Live luxury on the water in a vessel that allows 4 cabins of opulence in a way we never thought possible before.

The deck space is akin to an 80ft motor yacht thanks to the vessels 8.99m beam with an aft cockpit accessed from either transom stairs. Moving into the central aft lounge you'll find The aft cockpit is on one level opening into the saloon seamlessly for the ultimate indoor/outdoor...
