

Silent Yachts Silent 80

The new Silent 80 takes the great features of the award winning Silent Yachts concept to a whole new level of elegance and style.

Owners and guests on board experience premium levels of comfort, refinement and luxury. Every journey on board transforms into a story of pleasure. The interior cabins are crafted to match nothing but the best. In combination with the elegant exterior, she embodies the essence of a flagship in every possible way.

SILENT-YACHTS was founded on the dream of making luxury yachting work truly hand in hand with nature by minimising the impact on the marine environment while still providing utmost levels of comfort without compromises. Live lu...
