

Beneteau First 42s7

The Beneteau First 42s7 is one of Beneteau's most iconic models. Designed by Bruce Farr and Philippe Starck, and built by Beneteau, the result is a true classic. French Bee is hull number 36, owned by just two caring owners since new and is surely one of the best kept 42s7's you'll find anywhere in the world.

Designed with club racing and cruising in mind, this yacht is a joy to sail and spend time on board. The performance hull with deep lead keel means you can certainly win a trophy or two, or just enjoy how she feels through waves. The Perkins 50HP shaft drive diesel has been regularly serviced so will reliably propel you under power when the wind drops.

Price:
AU \$ 189,000

Model: Beneteau First 42s7
Hull Type: monohull
Vessel Location: RQYS, Manly.
