

## Catalina 30 MK II

Over 6000 of these brilliant 30 footers were sold worldwide and its no wonder why. They are a great looking, classic yacht with plenty of internal volume and a layout that belies its age and would still be the envy of many brand new production boats in this size range

The cockpit is spacious and a safe place to be when cruising, and there is a solid teak, removable table to make sitting outside at anchor a pleasure. All is well protected by a nice dodger and bimini set up with infill in between. These covers, including the BBQ and lazy bag have been replaced in the past few years.

The classic rig and lazy bag, along with furling headsail make short handed sailing ...
