

Riviera M430 Sports Cruiser Repowered 2018

Miss Joaquim is a great example of this extremely popular model from Riviera, and has been extremely well maintained.

Recently polished, serviced and antifouled with new upholstery and carpet this year, she is ready to get out on the harbour on, and is made for long days in the sun. Her cleverly designed cockpit is perfect for entertaining or you can zone out on the oversized sunlounger on the bow.

Downstairs there is ample room for everyone. With a large master cabin and a double and single berth in the second cabin, your guests or family can overnight in comfort.

Her twin engines and bowthruster make this M430 Sports Cruiser extremely easy to manoeuvre...
