

## Riviera 4000 Offshore

An excellent example of one of Riviera's most enduring designs.

Van Diemen's owner has always maintained her to the highest standard, and constantly updated her. This boat will not disappoint.

Outfitted with everything you need for day cruises or longer trips away, from airconditioning to a radar you will want for nothing on board this lovely vessel. On deck there is a massive chest fridge, a wine fridge and icemaker, and room for plenty on her teak aft decks.

Originally spec'd for game fishing, (although never used as a fishing boat) she has game poles and a live bait tank in the stern, and cockpit lockers designed to take that massi...
