

Bavaria Cruiser 30

Ready for Summer!

This is a lovely, well kept example of Bavaria's Classic Cruiser 30, with nothing to spend.

B and B ticks all the boxes, and her current owner's love for her is evident. Her shallow draft keel means you can get into places the others can't, and her new electric windlass with remote makes anchoring a breeze. Under sail she is simply a delight, and easily sailed single handed, with the Walder boom brake making gybing a doddle. It's fair to say we're big fans of this lovely boat.

With new sails from North, a recent Raymarine chartplotter and autopilot and recently replaced bimini and dodger, this is a great exam...
