

Silent Yachts Silent 80

General

Vessel Name: Silent 80
Launch Year: 2025
Beam : 10.91m | 36ft
Draft: 1.2m | 4ft
Hull construction: Composite Light weight carbon sandwich composite construction.
Engine hours:
Aircon: 100.000 BTU, high efficiency seawater cooled chilled water system, super silent, inverter technology
Displacement (kg): 58000
Deck Material: Composite GRP and foam with non slip. Optional flexiteak decking.
Designer: Marco Casali and MICAD.
Builder: Silent Yachts.

Engine / Machinery

Engine Description: 2 x 340 kW E-motors on shafts with lifetime warranty.
Fuel Capacity: 2 x 2000 L tanks.
Fuel Type: Diesel
Maximum Speed: 20 knots
Cruise Speed: 6-8 knots.
Genset: 2 x 145 kW diesel generators.
Propulsion: Shaft with 4 blade bronze propellers.
Thrusters: 21KW 320 KGF Bow and retractable stern thrusters fitted.

Deck Hardware / Fittings

Ground Tackle: 1x 24 V 3000 W electrical anchor winch, vertical type for chain and rope with anchor stopper and 320 mm steel bollard, controls both locally and from the steering stations 90 kg galvanized anchor + 100m galvanized chain (13mm). 2 Capstans 3000 W for the bow. 2 Capstans 3000 W for the stern. 8 Cylinder Fenders F10 (127 x 51 cm) including spliced ropes.
Covers: Electric lifting and lowering composite hard top on flybridge.

Accommodation

Accommodation Description: Various layout, timber and upholstery choices to suit owner and crew requirements.
Shower: Separated showers in each head compartment and hot and cold transom shower.
Toilet: Electric with holding tanks.

Galley

Galley Description: L shaped galley with central storage and bench unit to port opening out to the aft cockpit. All galley appliances MIELE, BOSCH, SIEMENS or similar with large induction hob, dishwasher and oven.
Refrigeration: 1x Fridge-freezer side by side (WLH) 900 x 750 x 1780 mm, 550-600 L, A+, chilled water, ice cube maker.
Stove: Large induction hob.
Water Capacity: 1000 Litres
Water Maker: 150L/H as standard.
Hot Water System: 5x 20L electric water heater. For each bathroom. 2x 10L for pantry and stern shower.

Safety Equipment

Bilge Pump: 8 Self-priming electric bilge pump units in hull.

Electrics / Electronics

Electrics: 429 kWh Lithium battery bank. Water cooled. 24 V service batteries, Lithium High energy, 20 kWh including BMS. 3 kW charger for service batteries. Service batteries connected to master control display via CAN-Bus. Standard 30 kW inverter for AC power supply.

Electronics: 4 monitors 12" with world base map, 1 monitor for the crew cabin, 4G broadband radar, GPS, electronic compass, redundant autopilot system, VHF radio with handset and speaker on each helm, 2x follow-on-tiller, 2x rudder position indicators, AIS class B receiver, antennas, log, depth sounder, wind sensor, 2 autopilot control units at each helm, speaker with hailer + intercom function. Digital control and monitoring system for all main systems and appliances (bilges, tanks, lights, appliances etc).
